## Work Experience

---

### **Material Handler/General Labor**

CVG - Vonore, TN

January 2022 to March 2022

- Took all freshly painted parts off the paint line and put neatly together on a rack for another production crew to build their parts with, while also keeping up a quick, steady and safe pace.
- QC'd parts to ensure the best quality of part was being produced and fixed whatever problem there was quality wise in order for parts to pass inspection.

### **Prep Cook**

Tellicafe - Tellico Plains, TN

August 2021 to September 2021

- Learned how to make certain foods and how to prep them for cooks.
- Did job in a clean, safe and timely fashion.
- Washed dishes when needed.
- Cooked foods and stored them for use later that day and done strictly by recipe standards or restaurant standards.

### **Warehouse Order Picker**

Bargain Barn, Inc. | United Grocery Outlet - Athens, TN

March 2021 to June 2021

- Signed in and completed a check list to make sure driver jack was running properly and was fully charged.
- Picked products on a driver jack using an automated headset to pick orders.
- Did in a quick, timely and safe rate and fashion.
- Made sure all products were stacked neatly and efficiently to get as much stacked within a set height limit as possible and wrapped the stacked pallet in plastic.
- Put stacked, wrapped, and finished pallet neatly in the shipping area to be loaded onto trucked.
- Helped clean warehouse and helped others finish the orders they couldn't finish at the end of the day.
- Made sure driver jack was hooked back up to battery charger and signed out on the headset and driver jack.

### **Temporary Employee**

Randstad - Vonore, TN

February 2018 to 2019

- Worked through Randstad for National Seating.

- Used air gun tools to put shocks into seat frames I also built for seats to be put into transfer trucks.
- Also put brackets on seat frames using air tools
- Stretched covers onto cushions to fit seat correctly
- Did at a fast pace for production rate
- Kept work area clean and picked up and stocked for the next work day.

### **Temp to Hire Employee**

Express Employment Professionals - Knoxville, TN  
May 2009 to June 2012

- Worked on a production line
- Worked with air gun tools to put screws into speakers, through speaker frames into speaker boxes to be put into new factory vehicles.
- Did job without cracking speaker frames at a competitive pace.
- Worked on the newest models then and when they were in their beginning test phases.
- Helped come up with a specific order of putting a new product together in a production setting safely and efficiently.
- Did job without leaving fingerprints or scratches on product in a production setting and at a production pace smoothly
- Quality checked part before put into containers for shipment.
- Kept area clean and stocked
- Very punctual, on time

### **Store Clerk/Cashier**

EZ Stop Gas Station - Maryville, TN  
April 2006 to August 2007

- Kept store clean and operable with a good attitude.
- Opened store if needed
- Closed store if needed
- Took out trash and swept in the parking lot
